How People Search You: A Do-It-yourself Guide

The Online Privacy Company, Presents:

Abine's DeleteMe service

Support@GetAbine.com

Take advantage of privacy software and tools.

You've probably heard of sites like Intelius, LexisNexis, PeopleFinders. There are a lot of them and it can take a while, but all of the primary sites (and some of the secondary ones) let you remove yourself.

If you catch a people search site being deceptive, report them!
